Install the radio carefully and read the caution before installing. Amazon calculates a product's star ratings based on a machine learned model instead of a raw data average. The model takes into account factors including the age of a rating, whether the ratings are from verified purchasers, and factors that establish reviewer trustworthiness. Please try again later. Ken 4.0 out of 5 stars Glad I made the purchase. Wish the seller would list all models that this harness works with, I took a guess and just happened to be right. Others might not be. I didn't wait forever for the delivery, either. It fit the stereo as it should have. You would have to be a certified idiot to not be able to figure out how it works. Happens all the time to me. So I educated myself on wire color and identifying what pin does what on the rear head unit and was able to make it work. Forced learning sucks.
